## Work Experience

---

### Digital Learning Specialist & Instructor

**IT Park Kazan (High-Tech Innovation Hub), Kazan, Russia** | Kazan

April 2025 to April 2026

- Designed and facilitated interactive courses in philosophy, logic, critical thinking, and AI-assisted programming (“vibe-coding”) for youth and adult learners.
- Developed advanced workshops for entrepreneurs and IT professionals, focusing on systems thinking, creative problem-solving, and interdisciplinary cognition to complement technical and business expertise.
- Produced high-engagement social media content and long-form analytical articles on emerging technology, science, and philosophy, strengthening IT Park’s digital presence and driving program enrollment.
- Adapted pedagogical approaches for hybrid/digital delivery, applying adult learning principles (andragogy) and youth cognitive development frameworks.
- Authored research-driven articles and thought leadership pieces positioning IT Park as a hub for interdisciplinary tech education and cognitive skill development.

### Teacher

**Secondary school No. 1589 (IB World School), Moscow, Russia** | Moscow

September 2024 to March 2025

- Delivered instruction in History, Economics, Law, and Financial Literacy to students aged 10–17, aligning curriculum with both Russian Federal Standards and International Baccalaureate (IB) frameworks (MYP/DP).
- Designed inquiry-based, concept-driven units compliant with IB learner profile attributes and Approaches to Teaching & Learning (ATL) methodologies.
- Prepared students for dual assessment pathways: Russian Unified State Exam (ЕГЭ) and IB Diploma Programme examinations.
- Supervised individual capstone projects (IB Extended Essay / Russian Individual Project), guiding students through research design, academic writing, and oral defense.
- Facilitated interdisciplinary units and CAS (Creativity, Activity, Service) initiatives to foster holistic student development per IB philosophy.
- Maintained dual documentation systems: Russian educational records and IB-specific reporting (ManageBac, grade descriptors, moderation materials).
- Served as homeroom advisor and IB candidate support lead, mentoring students on university applications, TOK (Theory of Knowledge), and academic integrity.
- Presented IB pedagogical practices and cross-curricular strategies at regional educator conferences and internal professional development workshops.

## Teacher

### Secondary School No. 1282, Moscow, Russia | Moscow

September 2017 to August 2024

- **Instruction:** Delivered comprehensive instruction in History, Social Studies, Economics, Law, Financial Literacy, and Fundamentals of Entrepreneurship.
- **Specialized Courses:** Taught "Fundamentals of Spiritual and Moral Culture of the Peoples of Russia" (Ethics & World Religions) and supervised individual student capstone projects.
- **Program Development:** Designed and facilitated extracurricular clubs and enrichment courses to support student engagement and skill-building.
- **Exam Preparation:** Prepared students for the Unified State Exam (ЕГЭ) and Basic State Exam (ОГЭ) — Russia's national standardized assessments for university admission.
- **Administration:** Managed accurate student records, grading reports, and curriculum documentation in compliance with educational standards.
- **Student Support:** Served as a homeroom teacher (class advisor), providing academic monitoring, mentorship, and parent communication for a class.
- **Professional Leadership:** Regularly presented pedagogical best practices and teaching methodologies at district-level conferences and professional development workshops.
