

VLADIMIR SAVIN

MEMORIAL & MONUMENT DESIGNER
3D VISUALIZATION SPECIALIST

ABOUT ME

Creative and detail-oriented Memorial Designer with over 10 years of experience in designing custom monuments, memorial complexes, and remembrance spaces. I combine artistic vision with technical precision to create meaningful and timeless designs that honor memory with dignity and elegance.

EDUCATION

- MOSCOW AVIATION INSTITUTE (MAI)
Engineering Degree
2011 – 2017

SOFTWARE

AutoCAD	★★★★★
Revit	★★★★★
3ds Max	★★★★★
Blender	★★★★★
Adobe Photoshop	★★★★★
CorelDRAW	★★★★★
Microsoft Office	★★★★★

EXPERIENCE

INDEPENDENT MEMORIAL DESIGNER

2015 – PRESENT

- Design custom memorials, headstones, mausoleums, and cemetery projects.
- Create 3D visualizations and photorealistic renderings for client presentations.
- Develop concepts, layouts, and detailed drawings for fabrication and installation.
- Work with granite, marble, bronze, and other architectural materials.
- Manage projects from concept development to final visualization.

MEMORIAL MAUSOLEUM

3D TOMBSTONE DESIGN

This project is a 3D visualization of a classical mausoleum design that combines timeless architecture with symbolic elements of memory, peace and protection.

MATERIALS

- White Marble
- Granite Base
- Polished Stone
- Glass Photo Frame
- Decorative Greenery

MARBLE DETAILING

ABOUT THE DESIGN

The design is inspired by neoclassical architecture and Orthodox traditions. The combination of white marble, symbolic elements and thoughtful details creates a serene and respectful atmosphere.

Style:
Neoclassical

Materials:
Marble, Granite

Render Type:
High Quality

Software:
3ds Max, Corona Renderer,
Photoshop

MEMORIAL COMPLEX

BEFORE RENOVATION

The existing memorial complex had an outdated layout with limited space and functionality. The design did not provide a comfortable environment for visitors and did not fully reflect the significance of honoring loved ones.

KEY FEATURES

- Outdated design
- Limited space
- Inconvenient arrangement
- Insufficient functionality
- Needs modernization

AFTER RENOVATION

The renovated memorial complex offers a harmonious composition, improved functionality, and a well-thought-out arrangement of elements. The space has become more comfortable, respectful, and meaningful — a place of lasting memory for generations.

ADVANTAGES

- Modern and harmonious design
- Convenient and functional layout
- Enhanced functionality
- High-quality materials
- Easy maintenance and durability
- Dignified and aesthetic appearance

CUSTOM MEMORIAL ARCHITECTURE

03
PROJECT PAGE

3D TOMBSTONE DESIGN

This project is a 3D visualization of a custom memorial complex designed in the Orthodox Christian tradition. The architecture combines timeless elegance, spiritual symbolism, and the highest quality materials to create a serene and dignified place of remembrance.

MATERIALS

- White Marble
- Granite Base
- Polished Stone
- Gilded Metal Elements
- Decorative Greenery

MEMORIAL COLLECTION

CUSTOM MONUMENT DESIGN

04
PAGE NUMBER

01 FAMILY MEMORIAL

A modern memorial complex that combines classical architecture with natural stone. The design features a white marble colonnade, decorative landscaping, a custom photo monument, and a dedicated space for remembrance. The contrast between white marble and black granite enhances the elegance and timeless dignity of the composition.

02 ORTHODOX FAMILY MEMORIAL

An Orthodox family memorial featuring traditional religious symbolism and crafted from polished granite. The central composition unites family memorials in a harmonious architectural design, creating an atmosphere of respect, remembrance, and spiritual continuity across generations.

ABOUT THE DESIGN

These monuments are crafted to honor cherished memories through timeless architecture and premium natural stone. Each design is tailored to reflect personal values, family heritage, and spiritual beliefs, creating a lasting tribute for future generations.

 Style: Memorial Architecture

 Materials: Marble, Granite

 Render Type: High Quality

 Software: 3ds Max, Corona Renderer, Photoshop

MEMORIAL COLLECTION

CUSTOM MONUMENT DESIGN

01 MONUMENT WITH PORTRAIT

A modern headstone with a portrait and an angel sculpture composition. The elegant design and clean lines emphasize individuality and preserve the memory of a loved one. The complex includes a comfortable area for flowers and a resting zone.

02 MONUMENT WITH PROFESSIONAL THEME

A monument with a professional theme that reflects a person's life path and passion. The design elements, including an airplane image and takeoff runway, symbolize dedication to work and striving for heights. High-quality materials and thoughtful design create a dignified and lasting memorial.

ABOUT THE PROJECTS

Each monument is designed with care and attention to personal wishes and life details. We pay attention to every detail to create a magnificent and durable memorial that will preserve the memory for many years.

Style:
Memorial Architecture

Materials:
Granite, Marble

Render Type:
High Quality

Software:

MEMORIAL COLLECTION

CUSTOM MONUMENT DESIGN

01 GLASS PAVILION MEMORIAL

A refined memorial pavilion crafted from premium granite and glass, combining strength and elegance. Ornate stained glass panels and a detailed stone cross symbolize faith and everlasting love.

This design creates a serene and contemplative space for honoring and remembering loved ones.

02 CLASSIC PAVILION MEMORIAL

CLASSIC PAVILION MEMORIAL

A timeless memorial pavilion designed with classic architecture and superior granite craftsmanship. The glass roof and refined decorative elements provide a modern yet respectful tribute. The portrait panel serves as a focal point, preserving the memory of a cherished life with dignity and grace.

ABOUT THE PROJECTS

Each project is thoughtfully designed using high-quality materials and meticulous attention to detail. Our goal is to create lasting memorials that honor life, preserve memories, and provide comfort for generations.
